

AperiBuilding & Tapas

We present **AperiBuilding** a unique and complete culinary experience that will engage participants in a stimulating and enjoyable **gastronomic journey**!

The world of work often requires the ability to collaborate and coordinate in creative ways. To encourage connection among team members, nothing is more effective than a culinary experience with a touch of innovation! Imagine an occasion when creating **Spain typical foods and drinks** becomes a team act, and the combination of flavors and presentation becomes the key to success.

The team building starts with the selection of ingredients and the definition of recipes. Every team member is involved, contributing unique culinary ideas and skills. The challenge is to create finger foods that not only delight the palate but are also a tangible representation of the collaboration of the entire team. **Attention to detail is key.**

This approach highlights the abilities of each team member and promotes creativity in visual presentation and taste.

Cooking class - Paella

Explore the world of cooking and get your team together with our engaging Team Building. Through this interactive culinary experience, you will find out some of the secrets of cooking techniques, learn new recipes and work all together to prepare delicious dishes.

Guided by a professional chef, take part in a series of fun and **inspiring culinary activities**. Put your creativity to the test in preparing original dishes and experiment the use of a great variety of new ingredients and flavors. Each team member will have a role and, as in every kitchen, cooperation, communication, and coordination are essential.

You can choose to discover **culinary traditions**, for example **PAELLA**, learn new food preparation techniques, and discover kitchen secrets and tricks. Be ready to widen your culinary abilities and **learn new things** that can be helpful also in everyday life. Besides learning cooking methods, of course this Team Building also gives you the opportunity to **taste the results of your work**. Try all the dishes that have been **prepared and share convivial moments**, thus strengthening the bonds within the group and creating lasting memories. This Team Building can be customized to meet your needs and requests and can be organized **in a professional kitchen**. We can provide all the necessary equipment and ingredients in a welcoming and pleasant atmosphere.

Pizzaman For a Day

Challenge your colleagues up to the last Pizza! Dive into the most famous Italian culinary art and make some delicious original pizzas.

After an initial briefing, we will unveil the chosen theme for each team and then we go straight into action! Every participant **can make his/her own pizza** but only one per team can be presented to the judges. Each working station will be equipped with all that is necessary: ready pizza dough, pastry board, rolling pin and so on. Of course, **you'll have a lot of fresh and delicious ingredients to choose from for your special pizza**: flour, tomatoes, mozzarella cheese, cold cuts, vegetables, cheeses, etc. Everyone can choose their favorite ingredients and test different combinations. During the pizza making **you will work as a team**, sharing ideas and cooperating to create the perfect pizza in shape, color and most of all, taste! You can choose from different dough roll out techniques, spread the ingredients evenly on top or not and learn the ideal cooking times.

Once the pizzas are ready, you can hand them over to our “pizzaiolo” who will take care of the perfect baking in the wood oven. You can enjoy the results of your work and taste the fragrant warm pizzas you just made!

Working together in the making of pizzas, **you can improve collaboration and teamwork**, learning to listen to one another and to share responsibilities. Moreover, this activity inspires creativity and individual expression. **You can personalize your pizzas with original ingredients and decorations**, showing your personal taste and your culinary imagination. The “Pizzaman for a Day” Team Building is also a great way to socialize in a relaxing and friendly atmosphere and to create bonds outside of the working environment. Taste the pizzas all together at the end and **enjoy a moment of conviviality and fun with colleagues**. Sharing a pleasant and tasty experience promotes a positive working atmosphere and a greater team spirit that will last.

Cocktail Building

Dive into the fascinating world of cocktails with this engaging Team Building! An amazing experience of mixology full of fun, creativity, and cooperation.

Thanks to our **professional bartenders** you can learn and try the secrets of cocktail making. Let them guide you through the creation of **classic and original cocktails**: they will pass on the expertise on ingredient mixing and the making of high-quality drinks.

Each team can put them into practice and create personalized cocktails. Play with a great variety of **ingredients, flavours and decorations** and explore new combinations to make the perfect, unique, and delicious drink.
